Dear Families

Festival of Music

On Saturday, 12 of our students will be performing on stage at the Festival Theatre as part of the Public Primary Schools' Festival of Music. The Primary Schools' Festival of Music, an official state icon, is a public school-based music education program which is a collaboration between the Department for Education and the SAPPS Music Society.

With its genesis in 1891 as the Thousand Voice Choir, our program has been an integral part of South Australian life and stands as an official State Icon. The program reaches thousands of primary and secondary students annually and allows students opportunities to perform at prestigious venues, such as the Adelaide Festival Theatre.

There are Festival Choirs in over 300 schools across South Australia, as well as Orchestras and Performance Troupes in metropolitan Adelaide.

We cannot wait to watch our students perform and our Choir would not have been possible without the dedication of our Performing Arts teacher Ms Laura who spent hours rehearsing, organising and preparing for the outstanding performance. We wish all our students the very best of luck on their performance.

Public Holiday

Please see the letter in this newsletter from our Chief Executive, Mr Martin Westwall in regards the one off Public Holiday next Thursday, $22^{\rm nd}$ September to mark the death of Her Majesty Queen Elizabeth II

Uniform Reminder

As the warmer months are approaching we are reminding families that all students need to be in correct school uniform. As per our Uniform Policy we ask children to wear a school shirt with logo/or navy shirt, navy shorts, skirts or pants, summer dress with a navy jacket/jumper. School shoes or sneakers are the best choice for physical activity.

Dear Parents

RE: Her Majesty Queen Elizabeth II

Next Thursday 22 September will be a one-off national public holiday to mark the death of Her Majesty Queen Elizabeth II.

This means schools, preschools and OSHC services will be closed on that day.

School events held on this day, including camps and excursions, will be rescheduled or cancelled, where an alternative isn't practical. Your school or preschool will contact you about effected events.

We understand this may cause inconvenience for you and thank you for your flexibility.

Schools and preschools will remain open and operating as usual outside of this day.

We seek your support in ensuring that your child attends school on Friday 23 September, and is able to continue their learning program, unless they are unwell and unable to do so.

Further information about South Australian observances for the death of Her Majesty the Queen can be found at https://www.dpc.sa.gov.au/observances

Yours ever

Martin Westwell
CHIEF EXECUTIVE

Pudna - Self-Regulation

Self-regulation is learning about your own feelings and emotions, understanding how and why they happen, recognising them (and those of others), and developing effective ways of managing them. When children and young people learn to self-manage their emotions, they feel more confident, capable and in control.

We had to stay in control and be very focussed in use the pipette correctly. Drop by drop we needed to add the coloured water to the test tube.

We had to be the Boss of our own body and concentrate on what we were doing.

When we came to school we were very excited as it was Pyjama day. We had to stay calm, not be embarrassed and be in control all day to focus on our learning.

You have to be super careful and then you are in control. By Reyan

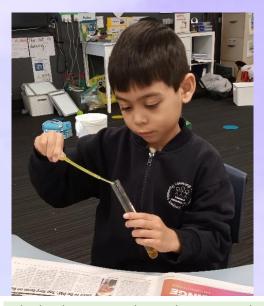

I did not get frustrated. By Khe-Sanh

I am being slow and adding little drops.

By Kayden

I had to be in control to make green with yellow and blue. By Isaac

I had to add the water slowly and focus on what I was doing. By Ayaan

I added one by one drops. I had to be in control.
I loved doing it. By Charlie

Being in control means you have to sit down, not fiddle and concentrate on what you are doing.

By Emmett

I used the pipette to make colours like green, purple and orange. By Shanielle
