## From the Leadership Team

Dear Parents and Caregivers,

Leadership would firstly like to congratulate everyone on a wonderful term and getting to the finish line in one piece. We really appreciated the community's understanding over the last few months and now feel we are able to breathe a little easier. Next term sees us return to our 'new normal.' We are really looking forward to opening the doors and welcoming our families back into the school, to celebrate learning and success.

Our character strength over the first two weeks is **Leadership**. Our Wandana Action Team and House Captains will be thinking of what ways we can catch up on some of our great events, do some fundraising and put on some fun activities for students. School banking will be returning, and we will also resume our advertising and planning for the postponed Colour Run in Term 4.

As we are looking into the next 2 terms to complete 2020, we are sad to say goodbye to a few faces. Belinda Smith is continuing in her role as the Principal at Blakeview Primary School for the next 6 months and Mataos Tsourou, who was with us only a short time, has accepted a teaching role at Torrens Rd. We wish them well on their new and continued adventures. I will remain in the Acting Principal role while Belinda is away so please come past and have a chat if you need.

A few notes have gone home this week, including your child's report. School photos are back on and need to be ordered via the MSP envelope or website. Please contact the office if your child has 'misplaced' any of the notes from the week.

Have a safe and happy holidays and we will see you rested on the 20th of July.

Kind regards,

**Tegan Sims, Principal**

Wishing everyone  
a safe and happy  
holiday break.  
See you next term!

**Our vision:** Empowering our community to flourish in their relationships and learning.

# Creativity

## Wandana Performing Arts

Creativity is thinking of new ways to do things.

This term our school had to think of new ways to continue learning with many students working from home. Teachers, students and families had to be very creative to make it happen. I'm proud of what we were able to achieve together- but it's great to now be back together again at school!
